Re: <u>AMERICAN MEDICAL RESPONSE OF SOUTHERN CALIFORNIA</u> Case 21-RC-106534

ORDER

The Request for Review filed by National Emergency Medical Services Association (NEMSA) is denied.¹ We find that, in light of the August 26, 2013 Order of the United States Court of Appeals for the First Circuit granting a stay of the preliminary injunction issued by the United States District Court for the District of Massachusetts, the sole basis for NEMSA's Request for Review no longer exists.

Dated, Washington, D.C., September 18, 2013.

¹ Although NEMSA labels its filing a "Request for Review," it is more in the nature of a Special Appeal, inasmuch as it does not challenge any of the findings and recommendations set forth in the Regional Director's Decision and Direction of Election.

The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.
